**Scholarship Updates**

**Summer 2025 Scholarships**

The NFC Foundation has awarded over \$60,000 in scholarships to more than 100 students for the Summer 2025 term. While most recipients are pursuing Associate in Arts (AA) or Associate in Science (AS) degrees, this support also extends to students enrolled in the Bachelor of Science in Nursing (BSN) program, certificate programs, non-degree seeking courses, and other educational pathways.

**High School Senior Scholarships**

The NFC Foundation has officially wrapped up the 2025 High School Senior Awards season, with the final ceremony held on Thursday, May 22. We extend our heartfelt thanks to the many NFC staff members who generously volunteered their time to represent the Foundation and serve as presenters at these events. Their dedication and support made it possible for us to participate in numerous ceremonies across our region. We are truly grateful for these outstanding Sentinels!

**Receipt of the 2025-2026 Edward K. Roberts Community College Fund of the Community Foundation of Sarasota County**

The North Florida College Foundation is proud to announce that it has received an \$80,000 grant from the Edward K. Roberts Community College Fund of the Community Foundation of Sarasota County for the 2025-2026 academic year. This generous grant is the largest and most flexible funding source available to the Foundation, allowing us to support a wide range of student needs across our six-county service district.
