President Grosskopf

Chairman Lyons,

North Florida College

Madison, Florida 32340

Gentlemen:

Everything in life has an expiration date and my time serving as a member of the NFC Board of Trustees has reached its expiration date. This letter is to notify you of my resignation as of April 1, 2024. It is time for me to devote my full attention to a new opportunity of service to my community as I seek the office of Madison County Property Appraiser.

Serving on the NFCC/ NFC Board of Trustees has been a high honor and one of my most fulfilling community service endeavors. I have enjoyed a great working relationship with President Grosskopf during both my time as Chairman and as a Board member. Our college is under great leadership with he and Chairman Lyons. I appreciate each of my fellow Board members' efforts to implement policies and make decisions that grow and improve North Florida College. I have enjoyed working with each of you and getting to know you around our mealtimes. When I first began serving on the Board of Trustees, I quickly recognized the quality, dedication, and commitment of our faculty and staff. Over the last 15 years I have witnessed continued growth in all three areas. Your recent response to our college and students after hurricane Idalia best exemplifies your dedication and commitment as well as our motto, "Sentinels Stand Together." Over the years you have inspired me to be a better Board member and to be tenacious in advocating for and defending NFC at every opportunity. You are truly a great asset to NFC and to our students.

While I will no longer be on the NFC Board of Trustees and meeting with you all monthly, I will continue to be an advocate for and a supporter of North Florida College.

Sentinels Stand Together,

*Michael R Williams*
